G.O.Ms.No.826, Dated the 9th April, 19
Read the following:--

G.O.Ms.No.755-Revenue, dated 28th April 1933
Government Memorandum No.5197-H/47-1, dated 29-9-1947 addressed to the Board of Revenue
From the Board of Revenue, B.P. Rt.1222/48, dated 3-3-48.

O R D E R:

Under B.S.O. 88-A, the criterion of productivity for estimates for improvements to existing irrigation works is a return of 6 per cent on the sum at charge, ten years after completion. It has been suggested that this rate of 6 per cent may be reduced to 4 per cent so as to conform to the criterion of productivity now in force for Public Works Department and Irrigation and Electricity Schemes. In consultation with the Chief Engineer (Irrigation) and the Board of Revenue, the Government accept the suggestion and approve the following amendment to B.S.O. 88-A:

"For the words 'viz. a return of 6 per cent on the sum at charge ten years after the completion" occurring in the first sentence of B.S.O. 88-A as

introduced by correction slip 34 of 1933, substitute the words, "for irrigation works as laid down by the Government from time to time - 4 per cent at present"

The Board of Revenue is requested to issue the necessary amendments to its standing orders.

( By Order of His Excellency the Governor

V. K. Rao,
Deputy Secretary to Governme
